Annual General Meeting. The Annual General Meeting was well attended and as well as the Balance Sheet being unanimously accepted by the Brethren, it was agreed that the Refurbishment programme be continued and the Main Hall chairs be refurbished in a similar manner as the Lounge chairs were. This work will hopefully take place during the next recess. Also the Committee Room would be redecorated and the Lodge Regalia reviewed with the possibility of purchasing new Regalia being considered.

Hall Centenary 2024. The Lodge also agreed that a small sub committee be established to co-ordinate the programme of events surrounding the Centenary. Suggestions are for a Re-dedication Meeting, an Open Day and a Special Meeting and Dinner to celebrate the Centenary of our Masonic Hall which has served the Local Community for almost one hundred years.

Grand Lodge News.

In his recent weekly report, M.W. Bro. Ramsay McGhee, Grand Master Mason reported on the recent meeting with the heads of other Orders as was delighted to report that around 70% of our Lodge were now operating to some level. Whether it be that for

Committee, Business or full—blown Regular Meetings. He was also delighted that Lodges, both at home and abroad, were planning to have Installation Meetings this year. In, Scotland, he reported that well over 400 candidates are awaiting Initiation.

In the last year over 1,000 Brethren in the Scottish Constitution have passed to the Grand Lodge above and a special Memorial Service will hopefully be held in February 2022 to remember them.

Scottish Constitution Freemasonry Supports. The total contributions made by the group to local charities and support groups worldwide has now reached £1,553,538, a fantastic effort.

Defibrillator. The Lodge has also approved the purchase of a Defibrillator. Grand Lodge has approved that the cost can be taken from the Lodge Benevolent Funds which means that the our Lodge has sufficient funds in our Benevolent Fund to cover the cost. It was also decided that the unit be located on the outside of the Hall to serve the local community, presently the nearest

defibrillator is in the Bowling Club area. **Meetings.** Our return to Regular Meetings since September has been gradual and attendances have been encouraging. Soon we hope to take another step closer to normality and plan a future programme as we now have two Candidates awaiting their enquiry. We also have a number of Brethren awaiting Affiliation, these will be progressed in due course.
